

UNLEASH YOUR POTENTIAL

**Transform your world
here and beyond**

Bachelor of Science in Bioengineering

Program Highlights

- Half of the classes from UofL faculty; half from AU faculty
- Hands-on work experience options
- Two years of study in Egypt, two in USA at UofL

Areas of Specialization

- Bioelectronics and Biomedical Devices
- Bioimaging and Biocomputational Modeling
- Biomechanics and Rehabilitation
- Molecular and Tissue Engineering
